

Before you scroll it down, some information for you:

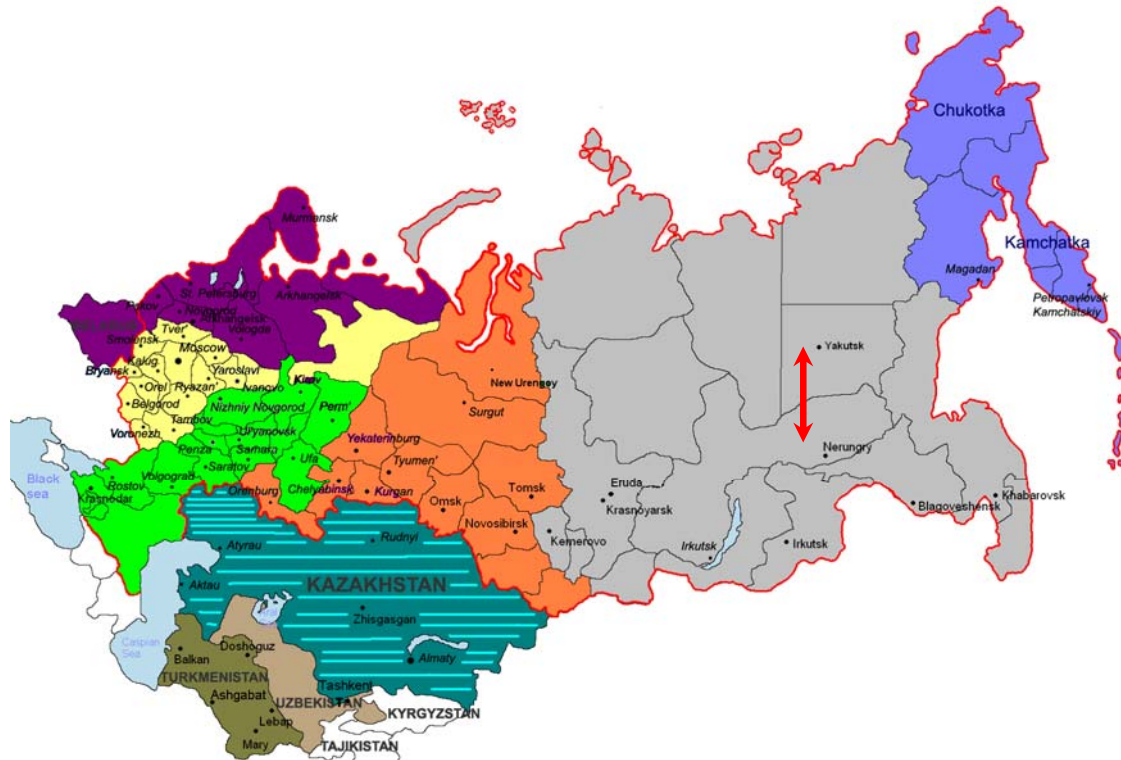

You will see the real photos. It's real live (NOT CAMEL TROPHY)

The distance is 1000 km Name of the road is "Lena". During these 1000 km you have to cross the Lena river (winter time by ice, summer ferryboat)

If could pass the way and get home safely – your prize would be glass of vodka and maybe warm shower.

It is the road to one of our biggest customer

Mileage warranty compensation for our Distributor is 0.30 USD per km

Did you take a seat?

Did you drink vodka?

If you've done everything

**GO AHEAD!**

This is the FEDERAL road (and only one in this region) to big city Yakutsk from Nerungri

Some time we have to reduce the speed because of road repair work

Rush hours

Rush hours 2

Waiting for the traffic light 600 cars in line

This is typical way to drive (Bulldozer+Truck)

Or Grader+car

Here you can see Russian made grader (it's 6 wheel drive grader).
